

# Precision Ag Programs at Community Colleges

Terry Brase

West Hills College

# Objective

- Facilitate and create an opportunity for industry and community colleges to discuss educational issues
- Create a initial plan for prioritizing and addressing these issues

Define the problems?

Solutions?

Best Practices?

Next steps?

# Introductions

- Name
- Company
- Interest in attending this session
- One main issue that needs to be discussed between CC and Industry

# of Students entering agriculture careers

# Accreditation / Certification of PA programs

# Internships / Apprenticeships
